

We Want Your Shoes!

Your gently worn shoes, that is. **(No flip flops or boots please)**

If you're like most people, your closet's probably home to multiple pairs of shoes you no longer wear. Here's your chance to dust them off and put them to good use. Just tie them together and drop them in the collection box by the front office.

When you drop off your gently worn shoes, you'll be helping the

raise needed funds as well as people less fortunate throughout the world. World Wear Project makes your shoes available to people living in developing countries such as Guatemala, El Salvador, Chile, Honduras and others.

Donating shoes and clothing
never made more cents.
